ID & Design Intl. oversees update

The B Historic hotel in downtown Savannah, Georgia, has taken the wraps off the final phase of a multi-million dollar renovation. The updates to the 101-key B Hotels & Resorts boutique property, which formerly housed a Country Inn & Suites locale, are by ID & Design Intl.

Located in a five-story brick building within Savannah's National Historic Landmark District, project participants say the B Historic's look combines elegance, simplicity with Southern warmth. The lobby, for example, features a large lounge area bearing a purple and cream color palette that's anchored by a slate wall housing a fireplace.

Adjacent to the lobby is Kitchen 320, which offers communal and single dining options in dark wood and tan leather. Other on-site amenities include more than 1,000 sq. ft. of flexible indoor/outdoor function space and an indoor saltwater pool.
